## The Child Safe, Energy Efficient Alternative

DSC Window Fashions has been in the window covering business for over 51 years and we're proud to introduce to you our newest innovation, the patented and patents pending Hi-Tech Ultimate Roman Shade.

The Ultimate offers customers an array of advantages over an other Roman shade in today's industry. Its cellular properties allow for a 62% reduction in heat transfer and conceal exposed cords on the rear of the shade. Choose from current DSC fabric selections or for unique custom decorating send in your own material to customize your Roman shade. Four and one half inch valances are standard and outside mount valances have wrapped returns to create a polished, clean look. Contact DSC Window Fashions today for more information and to order samples.

**We support local business and economies. Our products are manufactured in the USA in our Colorado facility.**
