# Hi-Tech® Fabric Roman Shades

Unique design integrates soft fabrics with an aluminum head rail and components of nylon and thermal plastic to create a variety of styles.

## Construction

- Shades manufactured from 8" to 192" wide in one piece
- Superior quality and durability achieved through bonding & fusing
- No stitch marks or puckering
- Accurate pleating & side seams
- Easy bracket installation
- Controls—choice of standard, continuous loop, motorized

## Exclusive Design

- Custom construction for individual design
- Ability to add trims and borders
- DSC Fabrics or Customers Own Material (COM)
- Black out lining standard for best insulation and light control

- ## Styles
- Galaxy - Flat, tuck style
  - Waterfall - Soft, flowing pleat style
  - Mirage - Soft, pouf style
  - Variett - Tailored vertical pleat style
  - Elite - Any standard style with insulating linear pleats
  - **Ultimate Galaxy** - Flat, cellular lined with no rear cords exposed
  - **Ultimate Waterfall** - Soft flowing pleats, cellular lined with no rear cords exposed

## Great Options

Available on certain styles and in certain sizes.

## Top Down Bottom Up

Enhance style choice while improving light and privacy control options.

## Infinity Style

Any standard style with pleated shade under the hem for defined light control and unlimited decorative possibilities.
